NewLife MX / NewLife somos fabricantes y exportadores de Instrumental e Implantes Ortopédicos, a más de 60 países en el mundo, con las más altas normas de calidad a nivel internacional de acuerdo con CE / ISO / OMS, a precios accesibles y razonables.

Nuestros implantes y material se hacen en Acero de alto grado medico 316L y Titanio (Ti6Al4V).

Contamos con SETS para colocación de implantes tales como Pequeños fragmentos, Grandes fragmentos, DHS/DCS, SET Lock Sistem, SET de cerclaje, Clavos elásticos de titanio, Hemiprotesis Thompsom/A. Moore, Columna (Varios), Clavo centromedular de Húmero, Clavo centromedular de Fémur, Clavo centromedular de tibia (Universales), y Clavos especiales como DFN, Supracondileos, de reconstrucción, Etc, Etc. También contamos con una extensa variedad de instrumentos Ortopédicos como desperiostizadores, machuelos, destornilladores, separadores, Guvías, Cizallas, Bailarina, percutores, dobladores, triscadores, etc, etc.

Tenemos una extensa gama de fijadores externos, alambre quirúrgico, Clavillos de kirschner, Clavos steinman, una muy amplia gama de Tornillos de cortical, Esponjoso, Canulados, Bloqueados, etc, etc.

Al ser fabricantes podemos fabricar a necesidades de nuestros clientes en formatos DCP, LC-DCP, Lock Sistem y en el material de su necesidad como Acero vs Titanio.

De Antemano nos ponemos a sus órdenes en nuestras oficinas de México.
